T2 Passenger Pick-up Area

The public pick-up area for arriving T2 passengers is located on the right-hand side of Keith Smith Avenue as you approach the T2 terminal building. After entering the Domestic Terminal precinct, follow the road signage to Arrivals and then look for the yellow 'Public Pick-up' signs.

This area consists of 52 parking spaces offering 10 minutes free pick-up time. Vehicles that stay beyond the free 10 minutes, or park in a car park area outside of the designated Public Pick-up area, pay normal parking rates.

Late December 2011, a new undercover walkway was constructed to provide passengers a safe and easy journey to the Public Pick-up area.
